Re: Officer Report

This letter is intended to highlight a few of the key developments relating to my position since my last report to Forum.

I'm chairing the Southern Regional Student Regent Nominating Commission. The first meeting was all day Saturday. We went through all the applications and selected a number of candidates to be interviewed. I will contact all of the candidates by phone or by mail soon.

The UCLA Chancellor Search Committee has been meeting regularly. We have another meeting tomorrow in Oakland. We're getting close to naming the new Chancellor.

Andrea Jones has resigned from her position as Director of Publications.

The ASUCLA Communications Board has decided not to pursue a graduate fee referendum. I have continued to meet with them on multiple occasions to discuss their financial situation and help them improve their business model.

We had a great meeting with the UCLA Alumni Association talking about how they can increase their interaction with graduate students. It's great to see that the Alumni Association is reaching out to graduate students. We gave them a lot of ideas and feedback about their current efforts related to graduate students.

If you have any questions, please feel free to speak with me about this report or if you need further details on any issue.

Respectfully Submitted,

Jared Fox
GSA President 2005-06
