Mac Marston
GSA Vice President Internal Affairs

Hello all,

I am already making further headway on reviving the other Student Interest Groups. I have met with Daniel Bang, an MBA student at Anderson, who has begun to revive the Asian and Pacific Islander Graduate Student Association (APIGSA), one of the defunct Student Interest Groups. We are continuing to meet this year to create an organizational structure for the group and plan a membership drive for the Fall Quarter. If you are interested in finding out more about the group or working with Daniel, his email address is daniel.bang.2007@anderson.ucla.edu.

I am working on drafting a set of regulations for use of the Student Interest Board office suite in consultation with those groups that have attended the last few meetings of the Board. This will ensure fair and equitable use of the space for every Student Interest Group.

I have contacted all the council presidents to confirm or solicit appointments board representatives from each council. I have only heard from three or four councils; please get in touch with your presidents to ensure that we have a full appointments for the end of this month.

Please let me know if there are any other issues of concern to your council that I may be of assistance with.
