RE: Officer Report

My report is intended to highlight a few of the main developments within GSA since the last forum meeting.

Hopefully many of you have read the GSA newsletter that was sent out. I am excited by the new format. Our communications director, Heather Wozniak, will be talking about the Newsletter today. It's a great new way to include updates and highlights from your council.

The grad student club night with other schools was a big success and we will be doing another multi-school mixer for St. Patty's day. The CalTech social chair said "I just wanted to say congratulations to us for putting together and pulling off a masterful event. The club owner loved our crowd which was described as excellent, educated, respectful and hassle free. They could hardly believe the numbers we were able to turn out. I was told that the official count was above 1200 guests. Naturally, they want to have us back."

The recent GSA Speeddating event was a huge success, and there are lots of other exciting events coming up. We had to add a third speedating round to accommodate all the people who came.

There are two great grad bars coming up that I hope you will join us for. Thursday, March 13th @ 8-11 pm at Kerckhoff Grand Salon, UCLA we are cohosting with IGSA an Around the World Grad bar, with international food and Salsa Dancing! And on March 21<sup>st</sup> at the end of finals there will be a spring break grad bar. See you there!

Now is the time to start thinking about leadership positions in GSA next year. If there are people in your council who you think would be interested in Director or Committee positions, or in running for office, please put them in touch with us.

I hope everyone is managing the end of quarter madness. You're almost there!

If you have any questions please feel free to contact me by email [pres@gsa.asucla.ucla.edu](mailto:pres@gsa.asucla.ucla.edu) or phone (818) 384-9493

Thank You

Nurit Katz  
GSA President 2007-2008
