Greetings!

UCLA is heading into its last quarter of the year and for many of us that means preparing for classes, spring break, graduation, moving out, UASRA events, and UASRA elections. In hopes of making these transitions easier, I’ve provided resources and tips for you below.

For those interested in learning more about the resources that are readily available to all students at UCLA’s fantastic libraries, there will be a workshop on April 22nd from 10:00 am to 12:00 pm. Joanna, a resident and UCLA librarian, will share this information over snacks and drinks for all who attend.

Spring break for UCLA begins March 24th, just in time to attend any of the March Madness games that UCLA will be playing in. To buy tickets contact the Central Ticket Office on campus or call (310) 825-2101. Students will have access to tickets when the brackets are set.

There will be plenty of residents graduating in June, and graduating from UCLA means moving from UAS for most. Planning where and how you will move in advance is important, as it will ease the process significantly. This is also an opportunity for those who are staying to find items that you are in need of, as many residents will be selling and giving items away.

The UASRA Event Coordinator has a few more events coming up. In my opinion they will be the best events yet. April 6th from 6:30 pm to 10:30 pm will be Game Night. There will be games, prizes, snacks, drinks, and a terrific chance to meet your neighbors. May 20th will be our community music event, which is a chance to showcase all the musical talent we have living in UAS. If you’re interested in performing, please email Mike at uasraevents@gmail.com. The June yard sale is a chance to clean out apartments for those moving or those who want to declutter. The yard sale is also a chance to buy a bicycle, as the bikes picked up during the sweep will be sold in accordance to all laws and university policy. Also, most unit events will take place this spring. These events are an opportunity to meet your neighbors, develop neighborly relationships, and converse with the unit representative- all of which are highly encouraged.

(Continued on page 2)
Hello Residents,

I hope everyone is doing well. Since the tragedy that occurred June 2016 on campus, UCLA has been making changes in the way information reaches the community. A new safety app has been created by the UCLA Office of Emergency Management called Bruins Safe. “The app will send you important safety alerts and provide instant access to campus safety resources,” according to the app’s description. This app is free and available for Android and iOS devices.

Here is the link to the UCLA app store:
https://apps.ucla.edu/apps/50

Good luck to everyone as the winter quarter comes to an end!

Shanelle Wade
Safety & Health Delegate
Hello Everyone,

Just wanted to thank those who attended the UASRA Oscar Party this past Thursday. Over 75 people attended the event and enjoyed some snacks and beverages while we screened *Hacksaw Ridge*. Thank you to all of the volunteers who made this event great! I also want to congratulate our Oscar nomination contest winners:

1st place - Tania Tahsili, who got 16/24 (tie breaker 3 hours and 30 minutes)
2nd place - Cho Shin 16/24 (tie breaker 3 hours and 15 minutes)
3rd place - Amelia Cromwell Mueller Williams 14/24

The winners have all been notified and will all be receiving a gift card to AMC theaters.

We look forward to seeing everyone at our next event on April 6th. We will be hosting a game night, including a poker tournament.

Uasra Eventz

---

**Sawtelle E Event - Valentine’s Day Movie/Party Event**

Unit Representative: Owais Shaikh

The event was held on February 19, 2017 at the Sawtelle Community Center from 1-4 pm. Nineteen families (40 people) attended. Children and adults enjoyed a movie, kissing booth contest, and a photos backdrop activity. Two residents won $50 Ralph’s gift cards in raffle drawing and three residents won $20 Amazon gift cards in a “kissing booth contest” that involved guessing the number of chocolates in a jar. Food and snacks were consumed and the leftovers were taken home by residents.
CALLING ALL CANDIDATES!

UASRA OFFICERS
GENERAL ELECTIONS 2017
Be the voice for your community!

HOW?

**CHILDREN’S MUSIC**
Children’s Music is an introduction to vocal music, percussion, as well as musical terminology for young children. In this class, rhythm and musicality are introduced through songs, use of instruments and creative movement. Music is a great opportunity for little ones not only to learn basic music fundamentals but also cooperation, teamwork and patience.

**PARENT & CHILD YOGA**
This class explores play and relaxation through yoga games and songs. For younger ages, children work with a parent to play games and navigate poses, while older children work on their own and with their peers. Children’s yoga is designed to support physical and social development. Particularly flexibility, strength, and body awareness can be developed and improved.

Please bring your own yoga mat.

UASRA General Assembly Meeting

February 15th, 2017

1. Call to order: 7:13pm

2. Public Comments:
   - Zainab (lives on Sepulveda side) suggests we could designate a kids toy/books exchange on a regular basis and use a room for it. She's not sure how to manage or organize it, perhaps once a month in the resource room. She is moving in June or July but wanted to reach out to organize. Many parents were interested. Paula will help her set it up. It is suggested we organize it around the time of the produce program, as this could be a great way to donate directly to neighbors. Natalia suggests the study room. Study room might be challenging. Volunteers might be needed.

3. AC Report by Thomas Martin, first year:
   - This month they're taking applications for the coordinators. The deadline is February 24th.
   - The hallways have been kept clean.
   - During normal hours and after hours please make sure maintenance requests are submitted through maximo. Other things that are non emergency call UCPC.

4. UCPD Report by Officer Kunstmann:
   - Reminder to watch who we let in and to keep our garage doors closed, as theft is always the highest concern.
   - Protection starts in the community. Do not invite trouble in.
   - Maybe we could invest in a package theft program or a fake bike program.

5. UAS Management Report by Regis:
   - Regis apologizes for replacing the garden locks and not letting us know. Residents have been getting the keys replaced.
   - Rain has been a large problem lately. They had deferred many of the roof repairs, but now they have gone up the replacement schedule. This includes many different buildings within the UV.
   - Display boards by the entrances now have keys replaced.

   - The full glass display needs replacing outside the community center.

6. General Officer’s Reports:

   Sepulveda A:
   - Garden issues
   - Suggests updating contact information for the boards.
   - There was discussion for the website to have more information that might be helpful to our residents.

   Sepulveda B:
   - Garden water source leaks and they need a hose.
   - The study lounge lighting is very dark. Study rooms both need lamps.

   Sepulveda C:
   - Laundry Room theft is still a problem. All theft needs to be reported.
   - Question: How do we get air in the laundry room building? Response: Exhaust fans are installed, but were turned off because people were complaining about the noise. They're hoping to do a laundry room remodel.
   - The air ducts get cleaned once a year.
   - Reminder to think constructively about the repercussions that effect other people.
   - WASH will now be cleaning the machines on a monthly basis.
   - They're looking at an app to set up “pay as you go” for the machines. A test site is being set up for it. They're working on it to get it implemented. Everybody needs to be notified about it. It will be a free thing to use.
   - BBQ at Sepulveda C is broken.

   Sepulveda D: Nothing to report.

   Seconds commonplace helpful tips.

   Sawtelle A:
   - No gate in a specific area. By the next meeting maintenance will have a timeline or have it done.

   Sawtelle B:
   - Gas BBQ not working. Regis will check on status.

   Sawtelle C: Nothing to report.

   Sawtelle D:
   - People are throwing dirty diapers on the roof.
   - Broken glass/doors

   Reminder to contact Regis, as we have to be aggressive with getting these things done.

   Maximo website is constantly glitchy. Call them. We've got to be on top of this.

   Suggestion to create a flow chart on who to contact and how to fix problems.

   Sawtelle E:
   - Valentine's Day event will be this Sunday.

   Mentone/Clarington:
   - Lighting around the benches in the garden and BBQ area needs to be fixed. It's on the list for Regis but his list is pretty large.

   Rose: Unit event may be postponed at the beginning of the quarter. Bar night with residents.

   Venice/Barry: Absent

   Keystone:
   - Punctured gas from Light and Power. It got fixed very quickly. The building was evacuated.

   Community Center Maintenance Coordinator:
   - We need to deal with a specific resident that is not cleaning the room.

   Sepulveda Maintenance Coordinator:
   - The use of the room is going great with three weekly reservations. Lock box in front of the room needs to be fixed.
   - Residents need to turn on the fans.
   - She needs a mop from Regis.

   Green Coordinator:
   - Cooking classes with UCLA are in the works.

   Community Gardener Supervisor:
   - No hoses installed. 3191 has leaky hose.
   - North Sawtelle compost is super overwhelmed and stinky. Signs and numbers need to figured out for gardens.

   Safety and Health:
   - We miss the recycling bins.
   - Laundry cannot be enforced or watched. Maybe add a prewash cycle.

   (Continued on page 9)
General Assembly Minutes

UASRA General Assembly Meeting

(Continued from page 8)

- Management Excused -

Reports from Board Members:

Community Center Coordinator:
Residents not cleaning after using community center.

Event Coordinator:
Oscar Night is 6:30-10pm Thursday night. Gift card prizes. There will be beer provided with a bartender. If you can’t RSVP on Facebook, Addae will let you know.

Newsletter: Excused

Secretary:
As you all know our Community Center Coordinator is leaving us shortly which leaves us with another election. Because Paula is leaving so close to the new election with only 3 months left to her position, the board is proposing a slight addition to the constitution that will apply to this exact situation. We want to add that if there is a vacancy in a position with less than one quarter remaining that the newly elected position will be for a 15 month term instead of 12. Wording will now be:

“In the event that a position on the General Board becomes vacant for any reason, the board shall advise all voting members of the vacancy. Nominations to fill the vacancy may be made by any voting member, and an online election, open to all voting members, will be held to fill the vacancy from among eligible candidates. For positions vacated with less than one quarter of their term remaining, the resulting term will include the remainder of the vacated term in addition to the following year, not to exceed 15 months total. For positions vacated with more than one quarter of their term remaining, the resulting term will include the remainder of the vacated term.”

Call for a vote on this.

Mike seconds.

Motion passed.

22-0-0

Michelle will be the Election Coordinator.

Treasurer: Budget is looking good, continue to have higher income.

Vice-President: Thanks for everyone who filled out the survey. We want to survey the laundry people.

President: Last Saturday we had the resume workshop. It was the first time they came to the village. It was a good start to what is hopefully going to come. They’ll be working on fitting our needs better. Please let Andy know anything you might have an idea for.

Residential Life Advisor Report:
- Check out residential life website, as there are a lot of events taking place. It’s a great resource. Addae will post it online. You can report sidewalks that need work.
- March 26th the streets in Downtown Culver City to the beach will be shut down for bike rides/walks/shopping farmers market (CicLAvia).
- UCPD hosts a quarterly meeting focused on Westwood and residents/businesses.
- Bulk garbage pick up

-In-depth conversation about true bruin values, race/hate problems, diversity, what can we do how do we engage as a community:

Questions: How do you start the mediation? How do we deal with the violation now? What is the process and how do we find that person?

Responses: Report it to management and report it to Addae. If the person reports it through the appropriate channels we can take action (Dean of students report system for bias incidents). In response to the specific incident, Addae spoke to UCPD about it. They’re allowed to say and do what they wish inside of their own space. Nobody else witnessed, so the person who experienced this needs to communicate it as best as they can.

Liz: What is the standard of this?

Response: The person involved in the situation has to report it. Depending on the harassment issue it has to be reported through different channels. Physical (UCPD) anything else you need to get management to record it.

Jasmine Rush: There is a community standard. Rules and regulations are in place.

Stay Connected

Attend our General Assembly Meetings:

The UASRA hosts a monthly General Assembly meeting where we invite UA/S management and the UC Police Department to inform the residents of current issues as well as respond to residents’ questions about the complexes. All residents are invited and encouraged to attend this meeting. Food and childcare are provided free of charge.

The General Assembly is held every 3rd Wednesday of the month except for August and December. The GA takes place in the Community Center, which is located directly across from the pool on the Sawtelle side of University Village (3200 Sawtelle Blvd). Our next monthly meeting will be held on Wednesday, March 15th at 7pm. We hope to see you there.
