

Hello, I'm Zak Fisher.

It has been the honor of my law school career to represent graduate students at the GSA Forum and the Student Fee Advisory Committee. Now, I am honored to be running to represent you as your next GSA President.

I believe UCLA should be the best place in the world to be a graduate student.

That means every graduate student must have access to affordable housing. We must lower rent.

It also means that every graduate student must have timely access to high quality mental healthcare. We must hire more CAPS counselors.

We must also create a serious long-term plan to gradually reduce the \$1,128 student fee and eventually eliminate it.

We must provide quality affordable childcare for every parenting student.

If we stand together against big money and bureaucratic corruption, all of this and more is possible!

Together, WE CAN! Together, WE WILL!
