Happy Thanksgiving

This November help support The UCLA Food Closet by making food donations to fellow students in need. The “Closet” is an unmarked storage room where students can anonymously enter and take what they need.

The UCLA Food Closet accepts food donations and monetary support. Food donations are accepted Monday thru Friday from 9:00 am to 5:00 pm at the Student Activities Center, located in the Community Programs Office, Room 105, Campus Resource Center, B36.

To provide monetary support you can send a check made payable to the UCLA Foundation with the memo line specifying “CPO Food Closet” to 220 Westwood Plaza, Suite 105 (mailcode 145406), Los Angeles Ca 90024, Attn: CPO Food Closet.

BruinCard-Identification

Did you know students must be in possession of their UCLA Bruin-Card at all times and present it to University personnel upon request?

All residents and guests within the University Apartments communities must be in possession of and present valid photo identification to University personnel upon request. Persons who fail to provide appropriate identification may be required to leave the University Apartments community. Children under 13 years of age and accompanied by their legal guardian or resident host who has valid photo identification are an exception.
University Apartments prohibits soliciting

University Apartments prohibits individuals or groups from advocating or engaging residents with sales or services of any sort that are not approved or supports the mission of the University. Solicitors include door to door vendors or anyone in the common areas engaging with residents for the purpose of selling products, services, or beliefs. Anyone handing out or posting material such as restaurant menus, vendor services, religious, political or charity pamphlets are strictly prohibited.

Residents are urged to contact our Administration office at (310) 398-4692, the after-hours line at (310) 391-0686 or UCPD at (310) 825-1491 to report any solicitors who are either knocking door to door or seen inside the University property. Our staff or UCPD will escort solicitors off the property.

You can help by closing the entry gates behind you to reduce or avoid non-residents from entering to the property.

UCLA IS A TOBACCO FREE CAMPUS

This means residents and their guest may not smoke on the property including inside individual apartments. The use of cigarettes, cigars, and smokeless products are prohibited and may not be used on any UCLA owned or leased property.

The reduction of tobacco use and secondhand smoke exposure will help decrease preventable tobacco–caused diseases. It will also lead to a healthier overall environment.

For smoking cessation treatments and a referral of programs please call (310)825-0014 or visit the website at http://www.californiasmokershelpline.org for more information.

Thank You For Not Smoking
